Description:

Another Austrian producer is releasing on renowned House label HouseArt. Evosilica produce various styles of music, mainly Drum & Bass and Electro-House. For his first EP on HouseArt he produced four gorgeous tracks. With his EP name 'Unable to Speak' he describes what happens when you are a House fan and listen to his tracks. His correspondent track embodies pure party feeling. The other two tracks on his EP are complementary to the first one and convince through melodic elements and rhythms.
